Tickets \$75
All proceeds benefit families impacted
with autism

Emmy Award Winning Comic Steve Mazan

has appeared on The Late Show with David Letterman, The Late Late Show with Craig Ferguson, The Bob & Tom Radio Show, Sirius/XM Radio and entertains crowds around the country and military overseas.

Steve's comedy has been called "brilliant" and "side-splitting." His material offers layers that leave an audience howling and thinking at the same time. He is Smart and Silly. Intelligent and ridiculous. But always clever. And clean.
